Table notes

Footnote: Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 270 points separate Kellogg / Hong Kong UST Business School at the top, from the school ranked number 100. The first nine business schools, from Kellogg / Hong Kong UST Business School to Duke University: Fuqua, form the top group of schools. The second group is headed by the Chinese University of Hong Kong, which would need to increase its score by 9 points in order to move up a group. Top of the third group is the Rice University: Jones which is 6 points behind Boston University School of Management. Some 45 points separate the top and bottom schools in this third group. The fourth group is more spread out, separated by 70 points.
